

The heart of a volunteer is not measured in size, but by the depth of the commitment to make a difference in the lives of others. -- DeAnn Hollis

Are You Volunteer Material?

The Sargent County Ambulance Service through volunteers have filled a gap in this county for many years. Its existence is because of those that in the past and present have given of time and energy to be of service to each of us, at a time when our need is highest. Illness, accident, sudden health, they answer our calls with trained expertise and kind hearts .

What our EMS Service offers to you:

A trained staff	Personnel who care	Updated Equipment
A local Commitment	Local Response	4-6 member crews
First responder units located in Gwinner/Rutland		members that have given years of commitment
Public Awareness & training opportunities		24 hour a day/7 days a week/52 weeks a year service

What our EMS Service needs from you:

An ongoing need for people to Volunteer to join and retain our services locally

NEW volunteers to prevent burnout of existing crews

NEW Volunteers willing to give some time for training and commitment

NEW Volunteers to provide relief to existing crews and to take on shift scheduling

NEW Volunteers to keep our Ambulance services local and Healthy

WE NEED YOU!

North Dakota requirements for A basic Life Support unit require a driver with CPR certification and an EMT-Basic ambulance attendant (or a grandfathered Advanced First Aid Ambulance attendant). A driver with no CPR certification may be used if a third person with CPR certification is added to the crew.

North Dakota requires an EMS vehicle be staffed with 2 CPR trained crew members with one licensed driver and 1 EMT.

Sargent County is a rural county with a small population and our services exist because of volunteers to keep both ambulances manned to the required level. As we all evaluate our busy lives and our shortage of time, can you find time to make a difference to be a VOLUNTEER? This is the Call for HELP!

Please Contact the Sargent County Ambulance Coordinators for further information Today!
